NOTES FOR MEMBERS

1. In view of the continuing Covid-19 pandemic, the Ministry of Corporate Affairs has permitted the holding of the Annual General Meeting through Video conferencing mode, without the physical presence of the Members at a common venue. In compliance with the provisions of the Companies Act, 2013, SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and MCA Circulars dated May 5 2022, read with circulars dated December 8, 2021 ; June 23, 2021 December 31, 2020; April 8, 2020 ; September 28, 2020; June 15, 2020 ; April 13, 2020 and the Securities and Exchange Board of India Circulars dated May 13, 2022; January 15, 2021 and May 12, 2020 the AGM of the Company is being held through Video conferencing (VC).
2. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
3. The Additional Information pursuant to 1.2.5 of the Secretarial Standard on General Meetings (SS- 2) regarding Director seeking appointment mentioned in Item No. 2 is also annexed hereto.
4. Institutional / Corporate Shareholders (i.e. other than individuals / HUF, NRI, etc.) are required to send a scanned copy of its Board or governing body Resolution/Authorization etc., authorizing its representative to attend the AGM through VC on its behalf and to vote through remote e-voting. The said Resolution/Authorization shall be sent to the Scrutinizer by email through its registered email address to calp_info@calp.co.in or golechhaglobal@gmail.com
5. The Register of Members and Transfer Books of the Company will be closed from Thursday, 22nd September, 2022, to Wednesday 28th September, 2022 (both days inclusive).
6. Members can avail the facility of nomination in respect of shares held by them in physical form pursuant to the provisions of Section 72 of the Companies Act, 2013. Members desiring to avail this facility may send their nomination in the prescribed Form No. SH-13 duly filled in to RTA of the Company. Members holding shares in electronic form may contact their respective Depository Participants for availing this facility.
7. The Securities and Exchange Board of India (SEBI) has made it mandatory for all companies to use the bank account details furnished by the Depositories and the bank account details maintained by the Registrar and Transfer Agents for payment of dividend to Members electronically. The Company has extended the facility of electronic credit of dividend directly to the respective bank accounts of the Member(s) through the Electronic Clearing Service (ECS)/National Electronic Clearing Service (NECS)/Real Time Gross Settlement (RTGS)/ Direct Credit, etc. As directed by SEBI, the Members holding shares in physical form are requested to submit particulars of their bank account along with the original cancelled cheque bearing the name of the Member to RTA/Company to update their Bank Account details. Members holding shares in demat form are requested to update their Bank Account details with their respective Depository Participant.
8. SEBI has decided that securities of listed companies can be transferred only in dematerialised form. In view of the above and to avail various benefits of dematerialisation, Members are advised to dematerialise the shares held by them in physical form.

9. Pursuant to Sections 101 and 136 of the Companies Act, 2013 read with the Rules framed thereunder, the Notice calling the Annual General Meeting along with the Annual Report 2021-22 would be sent by electronic mode to those Members whose e-mail addresses are registered with the Depository or the Company/RTA. Members are requested to support this Green Initiative by registering/updating their e-mail addresses with the Depository Participant (in case of Shares held in dematerialised form) or with RTA (in case of Shares held in physical form). For any communication, the Members may also send requests to the Company's email id: golechhaglobal@gmail.com.
10. Members desirous of getting any information about the accounts and / or operations of the company are requested to write to the company at least seven days before the date of the Meeting to enable the company to keep the information ready at the Meeting.
11. In Compliance with the MCA circular dated May 5, 2022 and SEBI Circular dated May 13, 2022, Notice of the AGM along with the Annual Report 2021-22 is being sent only through electronic mode to those Members whose email addresses are registered with the Company. Members may note that the Notice and Annual Report 2021-22 will also be available on the website of the Company www.golechhaglobal.com, website of BSE www.bseindia.com and on the website of CDSL, www.evotingindia.com.
12. Members attending the AGM through VC shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
13. Since the AGM will be held through VC, the Route Map is not annexed in this Notice.
14. Members are requested to :-

THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

- (i) The voting period begins on Sunday, September 25, 2022 at 9.00 hrs and ends on Tuesday, September 27 at 17.00 hrs. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date, Wednesday, September 21, 2022, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

**MANAGEMENT DISCUSSION & ANALYSIS REPORT****INDUSTRIAL STRUCTURE AND DEVELOPMENT**

There has been a rapid expansion of the global financial system, spurred by differential regulation, technological and financial progress, and innovative business models. In this milieu, the footprint of non-bank financial intermediaries (NBFIs) has expanded considerably, accounting for almost half the global financial assets in 2020 (FSB, 2021). In emerging market economies (EMEs) like India, non-banks have established themselves as an integral and indispensable part of the financial landscape. They further the financial inclusion agenda by complementing the mainstream banking system. They are adept at gauging the differential needs of their customers and offer tailored financial products and solutions (RBI, 2021). Non-banks have also hopped on the 'digital bandwagon', which is transforming India's financial sector, particularly since the COVID-19 pandemic. Having benefitted from lighter and differential regulation vis-à-vis banks, non-banks foster innovation and spur competitiveness in the financial sector, ultimately benefitting the consumers.

Non-banking financial companies (NBFCs), which existed in India from the pre-independence period, got a fillip after the bank nationalisations in 1969 and 1980 following which banks accorded higher priority to developmental objectives. It was left to the private sector to cater to retail financial and investment activities and NBFCs filled this vacuum (IMF, 1998). The rapid growth of the NBFC2 sector in India in recent times has important implications for financial stability. As the largest borrowers from the financial system, NBFCs are meshed into a web of inter-linkages with banks, capital markets and other financial entities (FSR, 2021). Considering this increasing interconnectedness, the existing regulations governing NBFCs were overhauled. The Reserve Bank is set to implement Scale Based Regulation (SBR) and Prompt Corrective Action (PCA) Framework for NBFCs from October 2022. These regulations aim at creating a strong and resilient financial system while ensuring that the diversity and flexibility of NBFCs are preserved.

The profitability of the NBFC sector improved in Q3:2021-22 compared to the corresponding quarter in 2020-21 as economy shook off the impact of the second wave with relatively fewer operational disruptions. NBFCs-ND-SI, the largest segment in NBFCs, experienced robust growth in fund and fee-based income, which gave fillip to their profitability. On the other hand, while the income of NBFCs-D grew only marginally, profits grew on the back of declining interest expenses.

OPPORTUNITY & THREATS

Though India accounts for less than 1 per cent of the global NBFI assets, the share of NBFI sector in India's GDP has steadily increased over time. Around 45 per cent of the NBFI sector (in terms of asset size) in India comprise entities which engage in credit intermediation involving maturity and liquidity transformation and are, therefore, important from a financial stability standpoint. Based on supervisory data, in quarter-ending December 2021, the consolidated balance sheet of NBFCs grew at a faster pace than the corresponding period in the previous year. The bottom lines of the NBFC sector also improved in Q2 and Q3: 2021-22 with the waning of the second wave of COVID-19. On the other hand, asset quality of the sector deteriorated in Q3:2021-22, which could be partly attributed to NBFCs adapting to the changes in IRACP norms as well as rolling back of regulatory dispensation under Resolution Framework - 2.0 for individuals and small businesses.

With strong capital buffers, adequate provisions, and sufficient liquidity on their books, NBFCs are poised for expansion. Nevertheless, going forward, as the economy recovers, NBFCs need to be wary of rising borrowing costs on account of normalisation of monetary policy. Further, while NBFCs have largely realigned their business models by leveraging digital channels to improve their accessibility

and acquisition of new customers, this might prove to be a challenge for smaller NBFCs which may have to ramp up their technological capabilities. NBFCs also need to remain more vigilant about cybercrimes. Another challenge is to build upon strong governance and risk management standards to gain stakeholder confidence.

SEGMENT WISE OR PRODUCT WISE PERFORMANCE:

Your company is not dealing in any kind of product as the company's principal business is lending business only and during the year under review, the interest income from loans granted was Rs.119.36 Lacs as against Rs. . 90.32 Lacs for the previous year. The operations of the Company have resulted in Profit after Tax of Rs.40.13Lacs as against Rs30.52Lacs in the previous year. The operations of the Company have resulted in Profit after Tax of Rs40.13 Lacs as against Rs. 30.52Lacs in the previous year, which is on account of the employee benefit expenses and other expenses.

OUTLOOK

Non-banking financial companies (NBFCs) have established themselves as an integral part of the financial landscape. Using supervisory data, this article evaluates the performance of non-banking financial company (NBFC) sector in 2021-22 (up to Q3:2021-22) following the second wave of the pandemic on a number of parameters.

Highlights:

The consolidated balance sheet of the NBFC sector exhibited double digit growth in the quarter-ending December 2021.

- The gap between the spreads of AAA/AA- rated NBFC bonds began to reduce from January 2021 onwards and reached pre-covid levels in December 2021 indicating growing market confidence in the sector.
- NBFCs continued to provide maximum credit to industrial sector followed by retail, services, and agriculture. The sectoral credit distribution remained largely unchanged in 2021-22 (up to end-December 2021) as compared to end-December 2020. All sectors witnessed high credit growth on account of base effect and resumption of economic activities.
- The profitability of the NBFC sector improved in Q3:2021-22 compared to the corresponding quarter in 2020-21. NBFCs continue to maintain adequate provisions and their capital position remains strong.

Financial entities have generally emerged resiliently from the pandemic and are expanding their business as the economic recovery takes hold. Their asset quality has improved and capital positions remained strong. Macro stress tests reveal that SCBs would be able to withstand adverse macroeconomic circumstances. Also, any negative shock to house prices is not likely to significantly impact banks' capital positions. Sensitivity analysis shows that credit concentration risk and equity price risk may not be substantial but banks, especially PSBs, having substantial unrealised losses in their books at the beginning of the interest rate tightening cycle, portends risks to their financial health going forward. Network analysis results suggest that contagion losses have increased during H2:2021-22.

RISK AND CONCERNS

The Company's risk philosophy involves the developing and maintaining a healthy portfolio within its risk appetite and the regulatory framework. While the Company is exposed to various types of risk, the most important among them are credit risk, market risk (which includes liquidity risk and price risk)

and operational risk. The measurement, monitoring and management of risk remains key focus areas for the Company which manages this risk by maintaining prudent and commercial business practices.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

The Company has in place proper and adequate internal control systems commensurate with the nature of its business, size and complexity of its operations. Internal control systems comprising of policies and procedures designed to ensure reliability of financial reporting, timely feedback on achievement of operational and strategic goals, compliance with policies, procedure, applicable laws and regulations, and that all assets and resources acquired are used economically.

INDEPENDENT AUDITORS' REPORT

**The Members,
Golechha Global Finance Limited,**

Report on the Standalone Financial Statements**Opinion**

We have audited standalone financial statements of **Golechha Global Finance Limited** ("the Company"), which comprise of the balance sheet as at March 31, 2022, the statement of Profit and Loss and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by The Companies Act, 2013 ("The Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the independent requirement that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism through- out the audit. We also:

- a) Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty

exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- e) Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Annexure B referred to in paragraph 2(f) under the heading 'Report on other legal and regulatory requirements' of our report of even date Report on Internal Financial Controls under Clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 (the 'Act')

We have audited the internal financial controls over financial reporting of **Golechha Global Finance Ltd. (the 'Company')** as of 31 March 2022 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these standalone Ind AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') and the Standards on Auditing as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these standalone Ind AS financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to these standalone Ind AS financial statements and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these standalone Ind AS financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting with reference to these standalone Ind AS financial statements.

Meaning of internal financial controls over financial reporting with reference to these Standalone Ind AS Financial Statements

A Company's internal financial control over financial reporting with reference to these standalone Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting with reference to these standalone Ind AS financial statements includes those policies and procedures that:

- i. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- ii. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of Management and Directors of the Company; and
- iii. Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent limitations of internal financial controls over financial reporting with reference to these standalone Ind AS Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these standalone Ind AS financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these standalone Ind AS financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these standalone Ind AS financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls over financial reporting with reference to these standalone Ind AS financial statements and such internal financial controls over financial reporting with reference to these standalone Ind AS financial statements were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to standalone financial statements for the year ended 31 March 2021

1. Corporate information

Golechha Global Finance Ltd. ('the Company', 'GGFL') is a company limited by shares, incorporated on 18th April, 1991 and domiciled in India. The Company is engaged in the business of lending.. The Company has its registered office at 522, Tobacco House, (5th floor) No. 1, Old Court House Corner Kolkata Kolkata-700 001, West Bengal, India and its principal place of business at the same address.

The Company is a Non deposit taking non-banking financial company (NBFC) registered with the Reserve Bank of India (RBI), with Registration No. 07.00107. RBI, vide the circular - 'Harmonisation of different categories of NBFCs' issued on 22 February 2019, with a view to provide NBFCs with greater operational flexibility and harmonisation of different categories of NBFCs into fewer categories based on the principle of regulation by activity, merged the three categories of NBFCs viz. Asset Finance Companies (AFC), Loan Companies (LCs) and Investment Companies (ICs) into a new category called NBFC - Investment and Credit Company (NBFC-ICC). Accordingly, the Company has been reclassified as NBFC Investment and Credit Company (NBFC-ICC). The audited financial statements were subject to review and recommendation of Audit Committee and approval of Board of Directors.

2. Basis of preparation

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and notified under section 133 of the Companies Act, 2013 (the Act) along with other relevant provisions of the Act and the Master Direction - Non-Banking Financial Company- Non Systemically Important Non-Deposit taking Company (Reserve Bank) Directions, 2016 ('the NBFC Master Directions') issued by RBI. The financial statements have been prepared on a going concern basis. The Company uses accrual basis of accounting except in case of significant uncertainties.

2.1 Presentation of financial statements

The Company presents its Balance Sheet in order of liquidity. The Company generally reports financial assets and financial liabilities on a gross basis in the Balance Sheet. They are offset and reported net only when Ind AS specifically permits the same or it has an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event. Similarly, the Company offsets incomes and expenses and reports the same on a net basis when permitted by Ind AS specifically unless they are material in nature.

2.2 Critical accounting estimates and judgments

The preparation of the Company's financial statements requires Management to make use of estimates and judgments. In view of the inherent uncertainties and a level of subjectivity involved in measurement of items, it is possible that the outcomes in the subsequent financial years could differ from those on which the Management's estimates are based. Accounting estimates and judgments are used in various line items in the financial statements.

3. Summary of significant accounting policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

3.1 Revenue Recognition

(i) Interest income

Interest income is calculated by applying effective interest rate.

3.2 Expenditures

(i) Finance costs

Borrowing costs on financial liabilities are recognised using the Effective interest rate.

(ii) Other Expenses

Other expenses which are not directly linked to the sourcing of financial assets are recognised in the Statement of Profit and Loss on an accrual basis.

3.3 Cash and cash equivalents

Cash and cash equivalents include cash on hand, other short term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

3.4 Inventories

Since inventory of shares and securities acquired for trading are financial instruments, they are recognised at fair value through statement of profit and loss account (FVTPL) as per IND AS 109

3.5 Financial instruments

A financial instrument is defined as any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Trade receivables and payables, loan receivables, investments in securities and subsidiaries, debt securities and other borrowings, preferential and equity capital etc. are some examples of financial instruments. All the financial instruments are recognised on the date when the Company becomes party to the contractual provisions of the financial instruments. For tradable securities, the Company recognises the financial instruments on settlement date.

3.6 Financial assets

Financial assets include cash, or an equity instrument of another entity, or a contractual right to receive cash or another financial asset from another entity. Few examples of financial assets are loan receivables, investment in equity and debt instruments, trade receivables and cash and cash equivalents.

3.6.1 Classification and subsequent measurement.

The Company has applied Ind As 109 and classifies its financial assets in the following measurement categories: - Fair value through profit or loss (FVTPL)

- Fair value through other comprehensive income (FVOCI); or
- Amortised cost

Fair value through profit or loss; Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss; A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in statement of profit and loss in the period in which it arise, unless it arises from debt instruments that were designated at fair value or which are not held for trading. Interest income from these financial assets is included in 'interest income' using the effective interest rate method.

Fair value option for financial assets; The Company may also irrevocably designate financial assets at fair value through profit or loss if doing so significantly reduces or eliminates an accounting mismatch created by assets and liabilities being measured on different bases.

Amortised Cost; Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest ('SPPI'), and that are not designated at FVTPL, are measured at amortised cost. The carrying amount of these assets.

Is adjusted by any expected credit loss allowance recognise and measured. Interest income from these financial assets is recognised using the effective interest rate method.

However, the loans granted by the company are in the nature of repayable on demand and the time period of the same is uncertain and as a result, amortised cost of loans has not been taken.

3.6.2 Interest Income

Interest income is calculated by applying the effective interest rate to the gross carrying amount of financial assets, except for:

- a) Purchased or originated credit impaired (POCI) financial assets, for which the original credit -adjusted effective interest rate is applied to the amortised cost of that financial assets.
- b) Financial assets that are not 'POCI' but have subsequently become credit-impaired (or 'stage 3'), for which interest revenue is calculated by applying the effective interest rate to their amortised cost (i.e net of the expected credit loss provision).

The effective interest rate is the exactly discounts estimated future cash payments or receipts through the expected life of the financial assets or liability to the gross carrying amount of a financial assets (i.e, its amortised cost before any impairment allowance) or to the amortised cost of a financial liability. The calculation does not consider expected credit losses and includes transaction cost, premiums or discounts and fees and points paid or received that are integral to the effective interest rate, such as origination fees. For FVOCI financial assets -assets that are credit impaired at initial recognition- the company calculates the credit-adjusted effective interest rate, which is calculated based on the amortised cost of the financial assets instead of its gross carrying amount and incorporates the impact of expected credit losses in estimated future cash flows.

3.6.3 Equity instruments

Equity instruments are instruments that meet the definition of equity from the issuer's perspective; that is, instruments that do not contain a contractual obligation to pay and that do not contain a contractual obligation to pay and that evidence a residual interest in the issuer's net assets. The Company subsequently measures all equity investments at fair value. Where the company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair values gains and losses to profit or loss following the derecognition of the investment. Changes in the fair value of financial assets at fair value through profit or loss are recognised in net gain/loss on fair value changes in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

Gains and losses on equity investments at FVTPL are included in the statement of Profit and Loss.

3.6.4 Impairment

The Company assesses on a forward looking basis the expected credit losses (ECL) associated with its debit instruments carried at amortised cost and FVOCI and with the exposure arising from loan commitments and financial guarantee contracts. The Company recognizes a loss allowance for such losses at each reporting date.

The measurements of ECL reflects:

- An unbiased probability-weighted amount that is determined by evaluating a range of possible outcome;
- The time value of money; and
- Reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecasts of future economic conditions.

The measurement of the ECL allowance is an area that requires the use of complex models and significant assumptions about future economic condition and credit behaviour (e.g. the likelihood of customers defaulting and the resulting losses.)

3.6.5 Write-off policy

The Company writes off financial assets, in whole or in part, when it has exhausted all practical recovery efforts and has concluded there is no reasonable expectation of recovery. Indicators that there is no reasonable expectation of recovery include (i) ceasing enforcement activity and (ii) where the company's recovery method is foreclosing on collateral and the value of the collateral is such that there is no reasonable expectation of recovering in full.

3.6.6 Derecognition other than on a modification

Financial assets, or a portion thereof, are derecognised when the contractual rights to receive the cash flows from the assets have expired, or when they have been transferred and either (i) the Company transfers substantially all the risk and rewards of ownership, or (ii) the Company neither transfer nor retains substantially all the risks and rewards of ownership and the company has not retained control. The company directly reduces the gross carrying amount of a financial assets when there is no reasonable expectation of recovering a financial assets in its entirety or a portion thereof.

3.7 Borrowing costs

Borrowing costs, which are directly attributable to the acquisition/ construction of property plant and equipment, till the time such assets are ready for intended use, are capitalised as part of the assets. Other borrowing costs are recognised as an expenses in the year in which they are incurred. Brokerage costs directly attributable to a borrowing are expensed over the tenure of the borrowing.

3.8 Financial liabilities

Financial liabilities include liabilities that represent a contractual obligation to deliver cash or another financial assets to another entity, or a contract that may or will be settled in the entities own equity instruments. Few examples of financial liabilities are trade payables, debt securities and other borrowings and subordinated debts.

3.9.1 Initial measurement

All financial liabilities are recognised initially at fair value and, in the case of borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade payables, other payables, debt securities and other borrowings.

3.9.2 Subsequent measurement

After After initial recognition, all financial liabilities are subsequently measured at amortised cost using the EIR [Refer note no. 3.1(i)]. Any gains or losses arising on derecognition of liabilities are recognised in the Statement of Profit and Loss.

3.9.3 Derecognition

The Company derecognises a financial liability when the obligation under the liability is discharged, cancelled or expired.

3.10 Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet only if there is an enforceable legal right to offset the recognised amounts with an intention to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

3.10.1 Taxes

(i) Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, in accordance with the Income Tax Act, 1961 and the Income Computation and Disclosure Standards (ICDS) prescribed therein. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current tax relating to items recognised outside profit or loss is recognised in correlation to the underlying transaction either in OCI or directly in other equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

3.10.2 Deferred tax

Deferred tax is provided using the Balance Sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences and deferred tax assets are recognised for deductible temporary differences to the extent that it is probable that taxable profits will be available against which the deductible temporary differences can be utilised. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets, if any, are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised either in OCI or in other equity. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

3.11 Impairment of non-financial assets

An assessment is done at each Balance Sheet date to ascertain whether there is any indication that an asset may be impaired. If any such indication exists, an estimate of the recoverable amount of asset is determined. If the carrying value of relevant asset is higher than the recoverable amount, the carrying value is written down accordingly.

3.12 Provisions and contingent liabilities

The company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. The Company also discloses present obligations for which a reliable estimate cannot be made. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

3.13 Retirement and other employee benefits

3.13.1 Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be Settled wholly within 12 months after the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

3.13.2 Post - employment obligations

3.13.3 defined benefit plans : These are not yet applicable because none of the employee qualify for those benefits as at 31st March, 2022.

3.15 Fair value measurement

The Company measures its qualifying financial instruments at fair value on each Balance Sheet date.

Fair value is the price that would be received against sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place in the accessible principal market or the most advantageous accessible market as applicable. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy into Level I, Level II and Level III based on the lowest level input that is significant to the fair value measurement as a whole. For detailed information on the fair value hierarchy, refer note no. 47 and 48. For assets and liabilities that are fair valued in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy.
